NGSPM'S COLLEGE OF PHARMACY BRAHMA VALLEY EDUCATIONAL CAMPUS, NASHIK IPR CELL

Mission

To guide and aware students and faculty members on filing an IPR applications and to understand the rules and obligations of the IPR policy of the institute.

Objectives

- To motivate students and faculty members for filing an IPR and patents for their innovative ideas, inventions and to support them for research activities within the framework of the institutional policy on IPR.
- To create a research environment for acquiring new knowledge through innovation.

Intellectual property refers to creations of the mind: inventions, literary and artistic works, and symbols, names, images, and designs; for which a set of exclusive rights like copyrights, trademarks, patents, industrial design rights and trade secrets are recognized under the corresponding fields of IP law. An Intellectual Property Right (IPR) Cell has been formed at **NGSPM'S COLLEGE OF PHARMACY BRAHMA VALLEY EDUCATIONAL CAMPUS, NASHIK** to ensure continuous research activities and to create awareness about IPR among faculties, research scholars and the students of the Institution.

Functions and Responsibilities of IPR Cell

- To create awareness about IPR amongst faculty members and students.
- To impart training on patent filing processes.
- To conduct workshops and seminars on IPR to promote better understanding of IP law.

Institutional Research and Development Cell (IRDC)

The Institutional Research and Development Cell (IRDC) is an integral part of an educational institution at institutional level that focuses on promoting and facilitating research and development activities. The IRDC was setup with the aim to encourage faculty members and student to participate in research as a part of their practice school project at institute level.

- **Objectives of the IRDC :**

- Foster a culture of research and innovation within the institution.
- Encourage faculty and students to engage in research and development activities.
- Facilitate collaboration with industries, research organizations, and funding agencies.
- Enhance the quality of education through research-based teaching and learning.
- Promote interdisciplinary research initiatives.
- Provide necessary resources, infrastructure, and support for research endeavours.
- Organizing workshops and training sessions on research methodology and proposal writing.
- Administering internal research grants to encourage faculty members and students to undertake research projects.
- Establishing collaborations with industries and research institutions for joint research projects.

- **Functions of an institutional-level Research and Development (IRDC)**

- **Research Planning:** Identifying research areas and setting strategic directions.
- **Funding and Resource Management:** Securing funding and managing resources for research projects.
- **Collaboration and Partnerships:** Facilitating collaborations with external organizations and academia.

Institutional level

“Start-up, Entrepreneurship development and Innovation cell”

The establishment of the Start-up and Innovation Cell within our institution. This initiative aims to foster entrepreneurship, support innovative ideas, and cultivate a culture of innovation and technological advancement among our students, faculty, and staff.

Objectives

The Start-up and Innovation Cell has been established with the following key objectives:

- Encourage Entrepreneurship: To promote and nurture entrepreneurial spirit among the members of our institution.
- Support Innovation and Creativity: To provide a platform for students, faculty, and staff to explore and develop innovative ideas and solutions.
- Foster Collaboration: To facilitate collaboration and partnerships between academia, industry, and the start-up ecosystem.
- Skill Development: To organize workshops, training programs, and mentorship initiatives to enhance the entrepreneurial and innovation-related skills of our community members.

Functions and Activities

The Start-up and Innovation Cell will undertake the following functions and activities to achieve its objectives:

- Awareness and Outreach: Organize awareness campaigns, workshops, and events to create awareness about entrepreneurship, innovation, and the resources available through the cell.
- Incubation Support: Provide a conducive environment and infrastructure for start-ups, including incubation facilities, mentorship, and access to networks and resources.
- Idea Validation and Development: Assist aspiring entrepreneurs in validating and developing their business ideas, including market research, feasibility analysis, and prototype development.
- Funding and Investor Networking: Facilitate access to funding opportunities through connections with investors, venture capitalists, and government schemes to support start-ups.

SUBJECT: Expressing gratitude and Grateful for your support

Dear Principal and Faculty members of NGSPM'S COLLEGE OF PHARMACY,

I Lokesh U. Shukla, student from 2014-2018 batch of your institute. With respect to above mentioned subject, I am writing this letter to express my sincere gratitude for your support which helped me a lot for start a small-scale sanitary napkin manufacturing industry. Your encouragement, guidance, and resources have been instrumental in making my dream a reality.

The knowledge and skills that I gained from the various courses and workshops/seminar/ EDP conducted at the college have been incredibly helpful in setting up my business. The support of the faculty members and their willingness to share their expertise with me have been invaluable in shaping my entrepreneurial journey.

I am proud to say that my business is now growing up and running successfully, and we are producing affordable and hygienic sanitary napkins for women. This achievement would not have been possible without the support of the college, and I am grateful for all the help that I have received.

As a former student, I am proud to be associated with a college that values entrepreneurship and supports students' innovative ideas. Thank you once again for your unwavering support and encouragement.

Thank you.

Yours Sincerely,

Lokesh U. Shukla
