### 3.4.1 Outcomes of Extension activities in the neighborhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years.

As a part of extension activities, generating social sensitivity among students and faculty members is indeed essential. These activities play a crucial role in promoting empathy, understanding social issues, and developing a sense of responsibility towards the community.

Our institution conducts social accountability by promoting various activities like **Swatch Bharath Abhiyan, World Pharmacists Day, AIDS Awareness campaigns, Cancer Awareness campaigns, Gender equality awareness, free health checkup camps, vaccination drive, food distribution during nivrutinath maharaj dindi sohla**, tree plantation, Cleanliness programs, family survey, etc. For extension activities in the neighbourhood community, warning students to social issues, for their holistic development. Thus the institute takes proactive initiatives to contribute for social upliftment of the society and rural people through its dedicated efforts in this area.

Every year on the occasion of World Pharmacist Day either on 25th September, blood donation camp, pharmacist day sensitization program etc. are organized to create awareness and to understand the role of Pharmacists in human health care and safe use of medicine in the community.

During the COVID-19 pandemic, an **Awareness program** was conducted for precautions to be taken on covid 19, regular use of sanitiser, and masks, maintaining social distancing, getting vaccinated, etc. through online mode which increased awareness in the community of the disease. During the pandemic, our **students stitched face mask and distributed masks, sanitisers, fruits, and sanitiser pumps** in rural areas. Students also helped the doctors and nurses at the **vaccination centre (PHC)** and encouraged the people to get vaccinated and stay prevented from infection. AIDS and Cancer campaigns were carried out by NSS volunteers providing information for the prevention of the diseases.

NSS volunteers visited talegaon village and **organized a blood donation awareness rally**, students. Blood donation by our students in the camp at the college (every year on pharmacist day) and at talegaon village benefited countless needy people in the emergency.

The college campus arranges **free food, health check up camp to the Warkari Sampraday coming to Trimbakeshwar for Nivrutinath Maharaj Yatra**

By far now our college has planted nearly ten thousand saplings/seeds in area around anjaneri and trimbakeshwar region. Through the **Tree plantation program**, barren land has now been turned into green land and people of that area also initiated plantation and cultivation of trees.

Our students in association with NSS unit has carries our cleanliness program and also highlighted the importance of cleanliness through "**Swachh Bharat Abhiyan**" campaign. The extension and outreach activities impact such as helping underprivileged needy people, promoting cleanliness, and building relationships and links with Governmental & Non- governmental organizations for carrying out humanitarian activities. The activities also cultivate skills such as social skills, communication skills, management skills among underprivileged communities and protect the environment for healthy living and promote the holistic development of the society.

**The objective and impact of extension and outreach activity:**

1. Promote community engagement and social responsibility.
2. Create awareness and educate the public about important issues.
3. Address community needs and contribute to their well-being.
4. Encourage active participation and involvement of students, faculty, and staff.
5. Foster a sense of empathy, compassion, and teamwork.

**Blood Donation:**

Blood donation camps are arranged on a regular basis in NGSPM'S COP, Anjaneri, Nashik on the occasion of pharmacist day every year. Blood donation camps are also organized at different places under the NSS unit.

- **Objective:** Encourage voluntary blood donation and address the shortage of blood in hospitals.
- **Impact:** Increased blood availability for patients in need, potentially saving lives.
- **Outcome:** Successful blood donation drives, increased awareness about the importance of donating blood, and a positive impact on the healthcare system.

**Every year Blood donation camp is arranged by Institute on occasion of pharmacist day**

**Empowering Rural Children: Enhancing Social Appearance and Personality Development**

This initiative was undertaken to educate children from rural/village areas on social appearance and personality development. Recognizing the importance of equipping children with essential life skills beyond academics, this program focuses on fostering self-confidence, effective communication, and positive social interactions. By empowering these children, we strive to enhance their overall development and provide them with tools for success in both personal and professional spheres.

**Empowering Equality: Promoting Gender Equality Education Among Rural Children  
(Social Welfare Activity)**

This activity was conducted to highlight importance of gender equality and to educate children from rural areas on this topic. This event aimed to address the existing gender disparities and empower children to challenge stereotypes, promote inclusivity, and foster a society that values gender equality. By providing comprehensive education on gender equality, we strive to empower rural children with knowledge and skills to create a more equitable future.
