As a part of extension activities, generating social sensitivity among students and faculty members is indeed essential. These activities play a crucial role in promoting empathy, understanding social issues, and developing a sense of responsibility towards the community.

Our institution conducts social accountability by promoting various activities like **Swatch Bharath Abhiyan, World Pharmacists Day, AIDS Awareness campaigns, Cancer Awareness campaigns, Gender equality awareness, free health checkup camps, vaccination drive, food distribution during nivrutinath maharaj dindi sohla**, tree plantation, Cleanliness programs, family survey, etc. For extension activities in the neighbourhood community, warning students to social issues, for their holistic development. Thus the institute takes proactive initiatives to contribute for social upliftment of the society and rural people through its dedicated efforts in this area.

Every year on the occasion of World Pharmacist Day either on 25th September, blood donation camp, pharmacist day sensitization program etc. are organized to create awareness and to understand the role of Pharmacists in human health care and safe use of medicine in the community.

During the pandemic, our **students stitched face mask and distributed masks, sanitisers, fruits, and sanitiser pumps** in rural areas. Students also helped the doctors and nurses at the **vaccination centre (PHC)** and encouraged the people to get vaccinated and stay prevented from infection. AIDS and Cancer campaigns were carried out by NSS volunteers providing information for the prevention of the diseases.

Report of International Yoga day 2018

Theme for 4th International yoga day celebration in year 2018: “Yoga for Peace”

International Yoga Day promotes unity and inclusivity by emphasizing that yoga is accessible to people of all ages, genders, cultures, and nationalities. It brings people together in celebrating the universal practice of yoga and its ability to enhance individual well-being and foster a sense of harmony among communities.

The celebration of International Yoga Day is a global effort to recognize and promote the physical, mental, and spiritual benefits of yoga, encouraging individuals worldwide to embrace this ancient practice for a healthier and more balanced life.

One of the primary advantages of yoga is its positive impact on physical health. Regular practice of yoga postures, also known as asanas, improves flexibility, strength, and balance. Through a variety of poses, individuals can stretch and strengthen their muscles, enhance joint mobility, and improve overall physical fitness. Additionally, the practice of yoga improves cardiovascular health, increases lung capacity, and stimulates the circulatory system, leading to improved overall vitality.

Beyond the physical benefits, yoga is renowned for its ability to reduce stress and promote mental well-being. In today's fast-paced and stressful world, practicing yoga provides a much-needed opportunity to slow down, relax, and rejuvenate. The combination of deep breathing exercises, meditation, and mindfulness in yoga helps calm the mind, reduce anxiety, and enhance mental clarity. It fosters a sense of inner peace, promoting emotional balance and well-being.

Nivrutti Maharaj Dindi Sohla is an annual celebration held in Trimbakeshwar, Nashik, to commemorate the Punyatithi, or the anniversary, of Nivrutti Maharaj. Nivrutti Maharaj, also known as Nivrutti Nath, was a revered saint and spiritual leader who made significant contributions to the Bhakti movement in Maharashtra.
