### **Pedestrian friendly pathways**

All around the campus of NGSPM'S COP, tiles commuting of paved pedestrian friendly roads have been constructed for smooth students, faculty and other staff members of the institute. These roads are maintained on regular basis for keeping them free of mud, dust and any other growth. On either side of the concrete boundaries roads, proper are made and painted. Pedestrians can walk safely through the campus through walk friendly pathways. Entry of vehicles inside the campus is restricted. Security people are on assigned duties every turn and crossing to the campus. All of this means that travelling around a college campus on foot is enjoyable, easy, and quick.

### **Ban on the use of Plastic**

In NGSPM'S COP campus, the use of plastic is strictly prohibited by implementing various rules such as usage of reusable water bottles, bags, usage of paper over plastic. Avoid single-use plastics straws such as drinking. If you go canteen, remember to take a paper/ cloth bags. Replace plastic Tupperware with glass or steel containers. All the rules are strictly followed by Explaining Hazards of use of plastic to students from time to time by organizing Seminars to create Plastic Free Zone. Organize swachcha Bharat programme in weekend. Support organizations addressing plastic pollution.

### Landscaping with trees and plants

Trees are an investment and it will provide environmental, economic, and social benefits throughout its lifetime. Plants and trees are helpful in mitigation of Environmental pollution. Not only provides shade but also improves aesthetics and air quality inside the campus. Majority of students go through anxiety and panic attacks due to exam stress. Planting trees may take charge of increasing focus on lowering stress levels and improving mental health. The Management has taken more landscaping with trees and concern about the plants by conducting more plantation programmes organized in a huge manner.
