Report for

Tree Plantation 2021

On March 4, 2021, a tree plantation drive was conducted at NSGPM's Brahma Valley Educational Campus. The event aimed to promote environmental sustainability, increase the green cover on the campus, and raise awareness about the importance of trees in maintaining a healthy ecosystem. Students, faculty members, and staff actively participated in the drive, contributing to its success.

The tree plantation drive involved the selection and preparation of suitable planting sites within the campus. Participants worked together to clear the designated areas, dig pits, and ensure proper spacing between saplings. Various tree species, including indigenous varieties, were carefully chosen to thrive in the campus environment.
