OUR VISION

To Create a center of excellence in the field of technical education by holistically developing future Pharmacist , Scientist achievers having knowledge , Skills and attitudes towards profession and life.

OUR MISSION

To impart education to students to become the best professional minds and entrepreneurs of today who will lead their activity successfully.

To provide an environment which fastens continuous improvement and innovation with desired support and facilities to enhance students in learning and faculty effectiveness.

To provide facilities for personality grooming , physical fitness and strong sense of social and environment responsibility.

OUR OBJECTIVE

Our motto is to produce not only an efficient and expert pharmacist but a trust worthy citizen as well, to lead our nation to dignity and prosperity.

From The Chairman Desk

Dear students,

Heartiest welcome to NGSPM family, my aim in starting this institute is to facilitate the best of education for all. We intend to impart an all round education which will make students physically fit, mentally alert, intellectually capable, emotionally balanced, socially responsible and morally forthright. We will also help them strive hard towards their goals. Our way of working teaches our students to be self reliant and confident. Student should know that they are part of society, which they should never neglect. We try to instill human values in them and mould them to become better citizen. This way NGSPM COP will change the life of our beloved students who will surely make us proud.

Thank you.

Rajaram D. Pangavhane (Patil)
Founder President ,NGSPM

Principal Desk

Dear students,

Its a matter of pride for me that I serve for NGSPM's college of pharmacy. I devote my heart and soul for neophytes entering in this profession as being principal of this esteemed institution. The college is initiating an employment oriented four years degree course in pharmacy i.e. B Pharm.

We would like to see dissemination of that knowledge which will give strength and ability to the students to grow. It is my heart full desire to see these graduates of this institution will go around in the nation to abroad and presents them with pride as being trained professionals of this institution. With this hope I join with my faculty to exploit the potentials of the neophytes. I appeal to the parents and students to fully exploit our potential to endeavor you are future.
